

The Brave Little Turtle

A Storybook Buddy Tale

Tilly the turtle was very small. But her heart was very big.

"I can do it!"

The pond looked deep and wide today.

"Whoa, so big!"

Tilly took a deep breath and jumped right in.

"Here I go!"

Her little legs paddled fast. She was swimming!

"I am doing it!"

Tilly learned that brave means trying, even when you
are scared.

"I am brave!"
